Compatible with the most commonly used Chromebook models in K12 environments

Easy open design — no force needed for daily use

Helps reduce hinge damage from improper handling

Quick installation — no tools required

Installation

1 Slide the top cover down and align the screen under the both upper side clips until the laptop reaches the top edge of the top cover.

2 Press the clips (4) on both sides to ensure each clip is securely attached.

3 Flip your laptop to the back and press the two clips onto the lower edge.

4 Slide the laptop forward until the device reaches the front edges of the bottom cover.

5 Press the both side clips (4) to snap onto the device.

6 Press the rear corner clips to snap into place.

Quick removal — no tools required

Removal

1 Push up the two top edge micro clips off your laptop.

2 Push the 4 side clips outward to detach the lower part of the top cover from the device.

3 Slide the top cover down to remove it.

4 Press the rear sides clips outward.

5 Press the both sides clips (4) off the device.

6 Slide the device backward to remove it.
